**Availability of Annual Security Report**

This manual has been created to inform all student and employees of the Academy of Beauty Professionals about its safety and security procedures and policies. A report is created to comply with Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act (Clery Act) and the Higher Education Opportunity Act (HEOA). This report can also be requested at any time from the Admissions Department or Campus Manager. The annual disclosure document is completed each year by contacting the local police department and the building management to compile the statistics used in the report. The safety of our students and employees is an important concern of the administration. This document explains this institution's policy regarding crime and accident prevention, public safety, criminal and accident reporting procedures, and fire safety. Read this document carefully and ask if you have any questions.

During orientation for new students and employees, as well as in September of each year, each student and employee is informed of the school's campus security report, procedures, and safety practices. We also review with students and employees they need to be responsible for their own security and safety at all times. Written notifications are given to all students and employees.

**Designated Reporting Locations**

The Jeanne Clery Disclosure of campus Security Policy and Crime Statistics Act and the Higher Education Opportunity Act (HEOA) require that the Academy of Beauty Professionals report crimes on campus, and campus buildings or properties that

meet all of the following criteria: Academy of Beauty Professionals owns or controls them; they are reasonably contiguous to one another; they directly support or relate to the Academy's educational purposes.

- A confidential file will be kept, describing each accident and criminal incident in detail. The file will include dates, times, names, extenuating circumstances, and all agencies notified.
- Emphasis will be placed on accident and crime prevention.
- Statistics regarding the incidence of rape, burglary, drug violations, motor vehicle theft, murder and simple or aggravated assaults that occurred within the institution will be available to any and all students and/or employees upon request.

Statistics concerning the number of arrests for on-campus crimes of murder, forcible and non-forcible sex offenses, robbery, aggravated assault, burglary, motor vehicle theft, liquor law violations, drug law violations, illegal weapon possessions, arson, negligent manslaughter and non-negligent manslaughter during three most recent calendar years are listed in this section.

- An incident must meet three conditions to be classified as a burglary; first, there must be evidence of unlawful entry. Both forcible entry and unlawful entry – no force is counted. Second, the unlawful entry must occur within a structure, which is defined as having four walls, a roof and a door. Finally unlawful entry into a structure must show evidence that the entry was made in order to commit a felony or theft. If the intent was not to commit a felony or theft, or if the intent cannot be determined, the proper classification is larceny.
- Referred for disciplinary action is defined as: the referral of any person to any official who initiates a disciplinary action of which a record is kept and which may result in the imposition of a sanction.
- Weapons: Carrying, Possessing, Etc., is defined as: the violation of laws or ordinances prohibiting the manufacture, sale, purchase, transportation, possession, concealment, or use of firearms, cutting instruments, explosives, incendiary devices or other deadly weapons. This classification encompasses weapons offenses that are regulatory in nature.
- Drug Abuse Violations are defined as: the violation of laws prohibiting the production, distribution and/or use of certain controlled substances and the equipment or devices utilized in their preparation and/or use. The unlawful cultivation, manufacture, distribution, sale, purchase, use, possession, transportation or importation of any controlled drug or narcotic substance. Arrests for violations of state and local laws, specifically those relating to the unlawful possessions, sale use, growing, manufacturing and making of narcotic drugs.
- Liquor Law Violations are defined as: the violation of state or local laws or ordinances prohibiting the manufacture, sale, purchase, transportation, possession or use of alcoholic beverages, not including driving under the influence and drunkenness.

The institution monitors and records any criminal activity that takes place at a school event off campus by contacting local police. Each of these events is supervised by instructors and staff of the institution.

In accordance with the Violent Crime Control and Law Enforcement Act of 1994 (42 U.S.C. § 14071 (j)), we are notifying you that you can obtain information concerning registered sex offenders by going to [www.familywatchdog.us](http://www.familywatchdog.us) for a list of registered offenders near the school premises.

An institution must report to the Department and disclose in its annual security report statistics the total number of crime reports that were “unfounded” and subsequently withheld from its crime statistics report during each of the three most recent calendar years. Only a sworn or commissioned law enforcement personnel can make a formal determination that a report is false or baseless. A reported crime cannot be designated “unfounded” if no investigation was conducted or the investigation was not completed nor can a crime report be designated unfounded merely because the investigation failed to prove that the crime occurred; this would be an inconclusive or unsubstantiated investigation

### Violence Against Women Act

The Academy of Beauty Professionals prohibits the crimes of dating violence, domestic violence, sexual assault, and stalking. Training and information is provided to promote awareness and prevention of rape, acquaintance rape, domestic violence, dating violence, sexual assault, and stalking, as well as outlines options for risk reduction of such offenses occurring, the warning signs of abusive behavior, and how to avoid potential attacks. Please read this carefully and direct questions to the Academy of Beauty Professionals Title IX Coordinator Sue Kwitek.

#### What is domestic violence?

Domestic violence is defined as abuse committed against an adult or a minor who is a spouse or former spouse, cohabitant or former cohabitant, or someone with whom the abuser has a child, has an existing dating or engagement relationship, or has had a former dating or engagement relationship.

Domestic violence is a pattern of abusive behavior in any relationship that is used by one partner to gain or maintain power and control over another intimate partner. Domestic violence can be physical, sexual, emotional, economic, or psychological actions or threats of actions that influence another person. This includes any behaviors that intimidate, manipulate, humiliate, isolate, frighten, terrorize, coerce, threaten blame, hurt, injure, or wound someone.

**“Physical abuse”** includes sexual abuse and means any of the following: (1) the knowing or reckless use of physical force, confinement, or restraint; (2) knowing, repeated, and unnecessary sleep deprivation; and/or (3) knowing or reckless behavior that creates an immediate risk of physical harm.

**“Sexual abuse”** sexual abuse is coercing or attempting to coerce any sexual contact or behavior without consent. Consent means that both people in a sexual encounter must agree to it, and either person may decide at any time that he or she no longer consents and wants to stop the activity. Consenting to one behavior does not obligate you to consent to any other behaviors. Consenting on one occasion also does not obligate you to consent on any other occasion. Consenting means only that at this particular time, you would like to engage in this particular sexual behavior. Sexual abuse includes, but is certainly not limited to, marital rape, attacks on sexual parts of the body, forcing sex after physical violence has occurred, or treating one in a sexually demeaning manner.

**“Emotional abuse”** undermining an individual’s sense of self-worth and/or self-esteem is abusive. This may include, but is not limited to constant criticism, diminishing one’s abilities, name-calling, or damaging one’s relationship with his or her children.

**“Economic abuse”** is defined as making or attempting to make an individual financially dependent by maintaining total control over financial resources, withholding one’s access to money, or forbidding one’s attendance at school or employment.

**“Psychological abuse”** elements of psychological abuse include, but are not limited to, causing fear by intimidation; threatening physical harm to self, partner, children, or partner’s family or friends; destruction of pets and property; and isolation from family, friends, or school and/or work.

Domestic violence can happen to anyone. It not only affects those who are abused, but also family members, friends, coworkers, other witnesses and community at large. Anyone affected by domestic violence, whether it happened to you or someone you care about can find support by contacting the National Domestic Violence Hotline at 1-800-799-7233

### **What is sexual assault?**

Occurs when a physical sexual activity is engaged in without the consent of the other person or when the other person is unable to consent to the activity. This includes rape, fondling, incest, or statutory rape. The activity or conduct may include physical force, violence, threat, or intimidation, ignoring the objections of the other person, causing the other person’s intoxication or incapacitation through the use of drugs or alcohol, and taking advantage of the other person’s incapacitation (including voluntary intoxication or drug use).

### **What is consent?**

**“Consent”** means voluntary, active and clear agreement, communicated by words or actions, to participate in specific sexual activity. Consensual sexual activity happens when each participant willingly chooses to participate. Consenting on one occasion does not obligate you to consent on any other occasion. Consenting means only that at this particular time, you would like to engage in this particular sexual behavior.

A sleeping, unconscious, or incompetent person cannot consent. A person cannot consent to force causing or likely to cause death or grievous bodily harm or to being rendered unconscious. A person cannot consent while under threat or in fear.

In cases where a victim asserts that sexual activity occurred without consent, the standard is whether a sober, reasonable person in the same circumstances as the respondent should have known that the victim did not or could not consent to the sexual activity in question.

Lack of consent may be inferred based on the circumstances of the offense. All the surrounding circumstances are to be considered in determining whether a person gave consent, or whether a person did not resist or ceased to resist only because of another person’s actions.

### **What is dating violence?**

Dating violence means the use or threat of use of physical, mental or emotional abuse, or sexual violence by a person who is in a social relationship of a romantic or intimate nature with the victim.

Anyone affected by dating violence, whether it happened to you or someone you care about, can find support by contacting the National Domestic Violence Hotline at 1-800-799-7233.

## What is stalking?

Stalking is a dangerous crime that affects an estimated 6.6 million people each year. Stalking is generally defined as a course of conduct directed at a specific person that would cause a reasonable person to feel fear. Stalking is a pattern of repeated and unwanted attention, harassment contact, or any other course of conduct directed at a specific person that would cause a reasonable person to feel fear. Stalking can include:

- Repeated, unwanted, intrusive, and frightening communications from the perpetrator by telephone, mail, and/or email.
- Repeatedly leaving or sending the victim unwanted items, presents or flowers.
- Following or waiting for victim at places such as home, school, work, or recreational places.
- Making direct or indirect threats to harm the victim or the victim's children, relative, friends, or pets.
- Damaging or threatening to damage the victim's property.
- Harassing the victim through the Internet.
- Posting information or spreading rumors about the victim on the Internet, in a public place, or by word of mouth.
- Obtaining personal information about the victim by accessing public records, using Internet search services, hiring private investigators, going through the victim's garbage, following the victim, contacting the victim's friends, family, work, or neighbors etc.

*If you feel you are being stalked and are in immediate danger call 911 for assistance.*

All crimes are reported to the local police department for investigation and action. The institution encourages all students and employees to report all crimes in a timely manner to the Director of Operations (Lisa Davis) who will promptly contact the local authorities to address the issue.

Victims and witnesses are encouraged to report crimes, but it is solely on a voluntary basis. If you are a witness to the crime, you must contact 911 for immediate assistance, and if you feel it is safe to intervene on behalf of the victim, do so in the presence of others, if possible, or call out to the perpetrator that you have contacted the police and indicate that they are on their way; do not put yourself in danger.

If you are a victim of a sexual assault, domestic violence, dating violence, or stalking at this school or off the school premises, your first priority should be to get to a safe place. You should then obtain necessary medical treatment. If you believe that you have experienced or witnessed harassment or sexual violence notify your instructor, supervisor, Human Resources, or the Title IX coordinator as soon as possible.

### **In the event of a rape or sexual violence on campus:**

1. Stay calm, calm the victim; notify the campus manager.
2. Inform the victim of they have the option to notify the appropriate law enforcement authorities and for medical assistance. At the victim's requests, the campus manager will notify the authorities and call 911. The authorities will guide the victim through available options and support the victim.
3. The institution and law enforcement strongly encourage the victim to report the incident in a timely manner. Time is a critical factor for evidence collection and preservation. Filing a police report will ensure that a victim receives the necessary medical treatment and tests, at no expense to the victim; and it provide the opportunity for the collection of evidence helpful in prosecution, which cannot be obtained later. It is important to preserve evidence for the proof of a criminal offense, so do not disturb the area surrounding the incident.
4. The institution encourages victims to seek professional counseling. If the victim needs to seek professional help after being the victim of a rape, sexual assault, domestic violence, or dating violence you can contact Sue Kwitek Title IX Coordinator, for guidance to access of professional counselling.

5. If a student or employee is a victim of an alleged sex offense, the student or employee may request a change in schedule, regardless of whether or not the victim chooses to report the crime to authorities. Please notify the Director of Operations.
6. If a student is alleged to have committed a sex offense, the student will have the right to a prompt, fair, and impartial investigation and hearing before the Director of Operations (Lisa Davis) and the Director of Financial Aid (Mandy Gross) who receive annual training on related to the offenses and how to protect both the safety of the victim and promote accountability. The accused and victim will be allowed to have an advisor of their choice present throughout the proceedings. The Academy of Beauty Professionals may establish restrictions to which the advisor may participate as long as they apply equally to both parties. The preponderance of the evidence standard will apply to investigations, meaning the Academy of Beauty Professionals will evaluate whether it is more likely than not that the alleged conduct occurred. Remedies for student-related claims may include, but are not limited to, and order to stay away, suspension or expulsion
7. Both parties will receive written notice of the outcome of the complaint, the opportunity for appeal, and the notification of the outcome of any appeal before the results become final and when the results of the proceedings become final.
8. During the investigation, the Academy of Beauty Professionals will provide interim measures, as necessary, to protect the safety and well-being of students and/or employees involved.
9. The school will protect the confidentiality of the victim in accordance with the law. In addition, the Director of Operations will maintain all records of the incident. All accommodations or protective measures provided to the victim will remain confidential to the extent that maintaining such confidentiality will not impair the ability of the institution to provide the accommodations or protective measures. Only staff members who need to know will be apprised of the information. The school is required to publish each year's statistics for certain crimes that are reported to the school authorities or local police agencies, including incidents of sexual assault, domestic violence, dating violence, and stalking. The report only includes incidents and not the names or identifiable information.

### **Reportable Criminal Offenses**

***Criminal homicide***-These offenses are separated into two categories:

1. Murder and Non-Negligent Manslaughter: the willful (non-negligent) killing of one human being by another.
2. Negligent Manslaughter: the killing of another person through gross negligence (the intentional failure to perform a manifest duty in reckless disregard of the consequences as affecting the life or property of another).

***Sex Offenses***- These are separated into two categories:

1. Forcible: any sexual act directed against another person, forcibly and/or against that person's will; or not forcibly or against the person's will where the victim is incapable of giving consent. There are four types of Forcible Sex Offenses:
  - a. *Forcible Rape*: carnal knowledge of a person, forcibly and/or against that person's will; nor not forcibly or against the person's will where the victim is incapable of giving consent because of a temporary or permanent mental or physical incapacity (or because of youth). This includes forcible rape of both males and females.
  - b. *Forcible Sodomy*: oral or anal sexual intercourse with another person, forcibly and/or against that person's will; or not forcibly or against the person's will where the victim is incapable of giving consent because of youth or temporary or permanent mental or physical incapacity.
  - c. *Sexual Assault With an Object*: the use of an object or instrument to unlawfully penetrate, however slightly, either genital or anal opening of the body of another person, forcibly and/or against that person's will; or not forcibly or against the person's will where the victim is incapable of giving

consent because of youth or temporary or permanent mental or physical incapacity. An object or instrument is anything used by the offender other than the offender's genitalia.

- d. *Forcible Fondling*: the touching of the private body parts of another person for the purpose of sexual gratification, forcibly and/or against that person's will; or, not forcibly or against the person's will where the victim is incapable of giving consent because of youth or temporary or permanent mental or physical incapacity.
2. Non-Forcible: unlawful, non-forcible sexual intercourse. There are two types of non-forcible sex offenses:
  - a. *Incest*: non-forcible sexual intercourse with a person who is under the statutory age of consent.
  - b. *Statutory Rape*: non-forcible sexual intercourse with a person who is under the statutory age of consent.

**Robbery**: the taking or attempting to take anything of value from the care, custody, or control of a person or persons by force or threat of force or violence and/or by putting the victim in fear.

**Aggravated Assault**: unlawful attack by one person upon another for the purpose of inflicting severe or aggravated bodily injury. This type of assault usually is accompanied by the use of a weapon or by means likely to produce death or great bodily harm.

**Burglary**: unlawful entry of a structure to commit a felony or theft

**Motor Vehicle Theft**: the theft or attempted theft of a motor vehicle.

**Arson**: any willful or malicious burning or attempt to burn, with or without intent to defraud, a dwelling house, public building, motor vehicle or aircraft, personal property of another, etc.

**The Hierarchy Rule**: When counting multiple offenses, you must use the FBI's UCR Hierarchy Rule. This rule requires you to count only the most serious offense when more than one offense was committed during a single incident. A single incident means that the offenses were committed at the same time and place. That is, the time interval between the offenses and the distance between the locations where they occurred were insignificant. Beginning with the most serious offense, the follow list shows the hierarchy for Clery Act reporting:

- Murder and Non-negligent Manslaughter
- Negligent Manslaughter
- Forcible Sex Offenses
- Non-forcible Sex Offenses
- Robbery
- Aggravated Assault
- Burglary
- Motor Vehicle Theft
- Arrests
- Referrals for Disciplinary Action

If you are a victim of a crime and do not want to pursue action with the Academy of Beauty Professionals or the criminal justice system, you may still want to consider making a confidential report. With your permission, the Director of Operations can file a report detailing the incident without revealing your identity. The purpose of a confidential report is to comply with your desire to keep the matter confidential, while taking steps to insure the future safety of yourself and others. With such information, the Academy of Beauty Professionals can keep an accurate record of the number of incidents involving students, faculty and staff, determine where there is a pattern of crime with regard to a particular location, method or assailant, and alert the students and staff of the Academy of Beauty Professionals of potential danger. Reports filed in this manner are counted and disclosed in the annual crime statistics for the Academy of Beauty Professionals.

## **Accurate and Prompt Crime Reporting**

The Academy of Beauty Professionals students, faculty, staff and clients are encouraged to report all crimes and public safety incidents and/or concerns to the Director of Operations and the local police in a timely fashion. Only by the prompt reporting of the crime and the subsequent action taken by appropriate authorities will issues be quickly investigated and resolutions effected. The process of making an accurate and prompt reports the students, faculty, staff and clients help to insure increased safety for all. To report a crime, an emergency, non-emergency security or public safety related matter at the Academy of Beauty Professionals, call the institution for Appleton (920)-815-3375; Green Bay (920)857-1081 and Madison (608)709-5204.

Under Clery, a crime is “reported” when it is brought to the attention of a CSA or local law enforcement personnel by a victim, witness, other third part or even the offender. It doesn’t matter whether or not the individuals involved in the crime, or reporting the crime, are associated with the institution. If a CSA receives the crime information and believes it was provided in good faith, he or she should forward the crime report to the local police.

- In “good faith” means there is a reasonable basis for believing that the information is not simply rumor or hearsay. That is, there is little or no reason to doubt the validity of the information.

What you must disclose, therefore, are statistics from reports of alleged criminal incidents. It is not necessary for the crime to have been investigated by the police or a CSA, nor must a finding of guilt or responsibility be made to disclose the statistic. If your institution is in doubt as to whether a crime has been reported, rely on the judgment of law enforcement professionals.

## **Timely Warnings**

For any Clery Act crime on or off campus that, in the judgment of the Academy of Beauty Professionals represents an ongoing threat to the safety of students or employees; a campus-wide “timely warning” will be issued by the campus manager. The warning will be issued through all available means of mass communication including: public address announcements and personal notification. Anyone with information warranting a timely warning should report the circumstances to the Director of Operations.

The Clery Act does not require confidential reporting of crimes. Although personally identifiable information is generally precluded from disclosure, such information may be released in an emergency situation.

FERPA does not preclude an institution’s compliance with the timely warning provision of the campus security regulations. FERPA recognizes that information can in case of an emergency, be released without consent when needed to protect the health and safety of others.

## Fire and Safety Reporting

As part of the U.S. Department of Education's reporting requirements, we are required to notify our student body of any fires that have occurred on our campus. Should you have any questions regarding our statistics or policies, please see Dave Kwitek Director of Operations, for assistance.

At this time, the institution has no plans to make any changes to its policy or procedure.

**Prevention and Awareness Efforts**

The prevention and awareness of criminal activity is an ongoing effort at the Academy of Beauty Professionals. The administrators of the Academy of Beauty Professionals will continue to make crime prevention and awareness a priority.
